1. The Pool! Love the quality time with the grandkids!
We also love entertaining family and friends during the summer months.

2. Amazing views of the mountains and surrounding area!

3. We appreciate the huge primary closet with room for everything! No need for any other storage in the main bedroom.

4. The lower level is a great place to entertain, workout and shower, not to mention to "house" all the motorcycles my husband has collected over the years.

5. Wonderful location with wonderful neighbors!

6. We enjoy the sunroom all year from summer evenings to curling up with a good book in the winter months.
